

## **ASSISTANT VIDEO ENGINEER 2**

### **OVERVIEW**

The Assistant Video Engineer is part of the Video Team in the Production Department and will support the execution of video elements and needs for Bard SummerScape and the Bard Music Festival. They report to the Video Supervisor, working closely under the Festival Video Engineer and with other production team members and video/projection designers.

The Assistant Video Engineer supports and operates video systems for the Bard Summerscape and the Bard Music Festival. During show runs, they will serve as a video playback operator or Video deck crew as needed. Outside of the show run, they will participate in maintenance and troubleshooting activities with the Festival Video Engineer.

This is a seasonal position from Monday, July 3 – Monday, August 14, non-exempt (overtime eligible), paid **hourly at a rate of \$18–20/hr**, depending on experience. Hours will average 35–40 hours/week, with the potential for overtime. In addition, all employees are able to receive three meals a day, breakfast, lunch, and dinner, Monday through Friday, for free via Bard Dining, and twice a day, brunch and dinner, Saturdays and Sundays.

This position requires local residence during the dates listed above. Housing is provided as needed and includes a single bedroom and shared amenities based on availability.

### **RESPONSIBILITIES**

- Maintain a safe, healthy, and inclusive workplace at all times.
- Assist the Video Engineer in the preparation, installation, operation, and maintenance of all video aspects of all productions and special events.
- Actively participate in all video work calls.
- Update and create video paperwork as needed.
- Assist the Video Engineer in maintaining all video equipment, including rental gear.
- Attend and work technical rehearsals and performances.
- Assist the Production Manager in providing video support for all orchestra rehearsals.
- Assist the Video Engineer in preparing, installing, maintaining, and operating video playback systems.

#### Company-Wide Responsibilities:

- The Fisher Center is currently undergoing an organization-wide process of change toward becoming an anti-racist, multicultural institution. All on staff are expected to:
  - Commit to anti-racism and inclusivity at the Fisher Center. This includes participating in any trainings when scheduled, supporting departmental, company-wide, and cross-

# FISHER CENTER

- departmental collaboration in issues of diversity, equity, and inclusion, and furthering your own independent journey with anti-racism
  - Contribute in meaningful ways to the organizational culture

## **REQUIRED QUALIFICATIONS**

### EXPERIENCE

- High school diploma or equivalent
- Familiarity with Watchout, Isadora, Qlab and/or other video playback systems
- Familiarity with a variety of signaling, camera, and display technologies.
- Proficiency with projection and video signal distribution is essential, but training will be offered on specific equipment in use during SummerScape.
- Basic knowledge of general theatrical production practices.

### KNOWLEDGE, SKILLS, AND ABILITIES

- Strong attention to detail, general troubleshooting, and video engineering skills.
- General troubleshooting skills.
- Ability to read and understand scenic and construction drawings.
- Ability to understand schematic drawings of video systems and update them as necessary.
- Ability to work in an organized, self-directed, and detailed manner.
- Ability to communicate clearly and effectively.
- Ability to work evenings, weekends, and holidays, as determined by the production schedule.
- Ability to climb stairs and ladders.
- Ability to move and lift up to 50 lbs.
- Ability to push, pull, hang, reach, lean, and balance.
- Ability to stand or sit for extended periods.
- Successful candidates possess strong communication skills and keen attention to detail. They are collaborative, self-motivated, and bring a positive, can-do attitude!

## **PREFERRED QUALIFICATIONS**

- Experience with playback or programming in WATCHOUT is highly preferred
- Experience with CCTV monitoring and conductor cameras.
- Experience with Photoshop/Premiere Pro/After Effects.

## **ABOUT BARD COLLEGE**

Founded in 1860, Bard College is a four-year residential college of the liberal arts and sciences located 90 miles north of New York City. With the addition of the Montgomery Place estate, Bard's campus consists of nearly 1000 park-like acres in the Hudson River Valley. It offers bachelor of arts, bachelor of science, and bachelor of music degrees, with majors in nearly 40 academic programs; graduate degrees in 11 programs; nine early colleges; and numerous dual-degree programs nationally and internationally. Building on its 163-year history as a competitive and innovative undergraduate institution, Bard College has expanded its mission as a private institution acting in the public interest across the country and around the world to meet broader student needs and increase access to liberal education. The undergraduate program at our main campus in upstate New York has a reputation for scholarly excellence, a focus on the arts, and civic engagement. Bard is committed to enriching culture, public life, and democratic discourse by training tomorrow's thought leaders. For more information about Bard College, visit [bard.edu](http://bard.edu).
